## ABOUT ME

Full Stack Web Developer with 3+ years of professional experience building responsive web applications, SaaS products, and e-commerce platforms. Experienced in React, Python, Django, REST and GraphQL APIs, SQL databases, and Shopify development. Built a multi-user point-of-sale SaaS platform and delivered API-integrated e-commerce experiences. Familiar with AI-assisted development, Docker, GitHub, and Vercel deployment. Seeking full-stack development opportunities in Germany. Currently authorised to work in the UAE only; German work authorisation and any required sponsorship must be arranged.

## WORK EXPERIENCE

08/2026 - CURRENT - DUBAI, UNITED ARAB EMIRATES

### **FULL STACK WEB DEVELOPER** BUYHORECA

- Develop and maintain responsive web applications and e-commerce experiences using React, JavaScript, HTML5, CSS3, and the Shopify Storefront API.
- Built Brewing Edge, a coffee-focused e-commerce website integrating a dedicated Shopify product collection through APIs and deploying through Vercel and GitHub workflows.
- Use AI-assisted development and prompt engineering to support coding, content generation, and workflow automation.
- Customise Shopify storefront components using Liquid and the visual editor; contribute to UI/UX design, digital content, version control, deployment, and troubleshooting.

01/06/2023 - 01/07/2026 - ABU DHABI, UNITED ARAB EMIRATES

### **FULL STACK WEB DEVELOPER (HYBRID)** LABEZRA TECHNOLOGIES LLC

- Built and maintained full-stack applications using Python, Django, JavaScript, and SQL databases.
- Developed a multi-user POS SaaS platform with authentication, role-based access, billing workflows, invoice generation, payment tracking, and PDF export.

- Developed reusable responsive front-end components and REST API integrations.
- Provided Windows, hardware/software, and remote desktop support; supported CCTV installation, structured cabling, and low-voltage systems.

01/2026 - 03/2026 - KERALA, INDIA

### **FULL STACK PYTHON INTERN (ONLINE)**ALISONS INFORMATICS (P) LTD.

- Completed practical training in Django, HTML, CSS, JavaScript, and SQL while concurrently employed full-time.
- Worked on 3+ projects and collaborated with a five-person development team to implement features, resolve bugs, and meet deadlines.
